A lyrical celebration of the caribou.

A Joyful ABC Book Houghton Mifflin Harcourt

Learning the alphabet with baby animals is wild fun! From sticky-tongued Anteater pups to striped Zebra foals, introduce your 3- to 5-year-old to the alphabet the fun way with some of the most adorable wild animal babies from around the world. Did you know baby Jackrabbits use their jumbo-sized ears to cool off in the hot desert? Or that Rhinoceros calves roll in the mud to protect their skin? Kids will have a blast discovering cool facts on the homes, habits, and family relationships of these lovable wild animals while getting up close and personal with cute and colorful illustrations. This animal-themed alphabet book includes: A is for animal A is for animal--Your little one will learn the alphabet with one animal for each letter from A-Z plus the name for each baby animal. Adorable artwork--Engaging illustrations invite your child on a memorable journey into the wild world of 26 baby animals. Wildlife facts--From the scrublands of Australia to the rain forests of South America to the savannas of Africa, tiny explorers get to see how each baby animal lives, loves, and grows. Bring the alphabet to life in the wild with the cute and colorful

creatures in Wild Animal Babies.

Teaching with Favorite Alphabet Books Rodale Kids

A father and child grow vegetables and then make them into a soup. On board pages.

Mrs. Peanuckle's Vegetable Alphabet Cartwheel Books

An ABC book celebrating and inspiring diversity A Is for All the Things You Are: A Joyful ABC Book is an alphabet board book developed by the National Museum of African American History and Culture that celebrates what makes us unique as individuals and connects us as humans. This lively and colorful book introduces young readers, from infants to age seven, to twenty-six key traits they can explore and cultivate as they grow. Each letter offers a description of the trait, a question inviting the reader to examine how he or she experiences it in daily life, and lively illustrations. The book supports understanding and development of each child's healthy racial identity, the joy of human diversity and inclusion, a sense of justice, and children's capacity to act for their own and others' fair treatment.

A Busy Creature's Day Eating Tilbury House Pub

Readers learn the alphabet along with George as the man in the yellow hat teaches the curious monkey how to read.

Curious George Learns the Alphabet Charlesbridge Publishing

A father and child watch the cherry tree in their back yard, waiting until there are ripe cherries to bake in a pie. Includes a recipe for cherry pie.

Fruits & Vegetables from A to Z Smithsonian Institution

English Hungarian bilingual children's book. Perfect for kids studying English or Hungarian as their second language. Little Jimmy doesn't like to brush his teeth. Even when his mother gives him a brand new orange toothbrush, his favorite color, he doesn't use it like he is supposed to. But when strange and magical things start happening to Little Jimmy, he begins to realize how important brushing his teeth can be. *I love to brush my teeth* is a delightful story full of beautiful illustrations sure to get your little ones attention. If your child is having difficulty learning to brush their teeth then this is the book for you to share together.

The Vegetables We Eat Dragonfly Books

Describes some of the many things in the natural world, such as worms, seashells, flowers, and stars, that a child can appreciate, illustrated in silhouette.

The Three Bears ABC Holiday House

From accordions to underwear, Pete the dog's impartial palate leads him to eat his way through the possessions of the entire family.

The Vegetable Alphabet Book Disney-Hyperion

What are vegetables, anyway? Give kids the 411 on veggies with this richly illustrated introduction to produce! Peppers, beans, corn, and peas! Nonfiction superstar Gail Gibbons lays out the basics of veggies with colorful watercolors and straightforward text. Learn how they grow, how they get to stores, and how many kinds there are—and learn some weird trivia, too! Diagrams, cross sections, and illustrations get kids up close and personal with glossy red peppers, plump orange pumpkins, delectable little peas, and dozens of other vegetables in this essential primer on the

subject.

Fruit Bowl Everbind

Roses are red, Violets are blue... And they're only two of the flowers in this book of bright colors and delightful information. Young readers will be fascinated to find out what flower can be used to make a doll, which flower flavors tea, and which flower farmers feed to chickens. Author Jerry Pallotta and illustrator Leslie Evans have collaborated to produce a stunning bouquet of words and pictures about the world of flowers—one of nature's most beautiful gifts.
