From the beloved bestselling creator of The Dot and our own Happy Dreamer comes an inspiring story about the transformative and profound power of words. Some people collect stamps. Some people collect coins. Some people collect art. And Jerome? Jerome collected words . . . In this extraordinary new tale from Peter H. Reynolds, Jerome discovers the magic of the words all around him -- short and sweet words, two-syllable treats, and multisyllable words that sound like little songs. Words that connect, transform, and empower. From the creator of The Dot and Happy Dreamer comes a celebration of finding your own words -- and the impact you can have when you share them with the world.

Percy Jackson is about to be kicked out of boarding school...again. And that's the least of his troubles. Lately, mythological monsters and the gods of Mount Olympus seem to be walking straight out of the pages of Percy's Greek mythology textbook and into his life. Book #1 in the NYT best-selling series, with cover art from the feature film, *The Lightning Thief*.

Vocabulary Instruction Dramatic Publishing

This practical resource and widely used text presents a wealth of research-based approaches to comprehension instruction. The authors offer specific classroom practices that help K-9 students compare and evaluate print and online sources, develop vocabulary, build study and test-taking skills, and become motivated readers.

Homoeopathic Envoy Rowman & Littlefield

Yummie, Yummie...Dirty Socks Michael's room was always a disaster area, strewn with all kinds of litter -- heaps of papers, piles of crumpled clothes, and dirty socks everywhere. And that was just the top layer The trouble was, half the room belonged to Michael's brother Norman the neatness nut. It was the battle of the bedroom -- with Norman fighting to keep his spotless territory free from the invasion of Michael's mess. But that was before the appearance of the most amazing plants ever Suddenly Michael's junk heap disappeared and the room was taken over by the two giant plants that gobbled up socks faster than anyone could supply them And their appetites were growing bigger every day When the plant that militant slob Michael grows from his mail-order seeds develops an appetite for dirty socks, Michael and his neatnik brother, Norman, join together to persuade their parents to let them keep the ever-growing-and voracious-greenery.

The Teaching of Reading Disney Electronic Content

This practical book focuses on three distinct types of struggling readers that teachers will instantly recognize from their own classrooms--the Catch-On Reader, the Catch-Up Reader, and the Stalled Reader. Detailed case studies bring to life the specific problems these students are likely to face and illustrate research-based instructional strategies that can help get learning back on track. The book also illuminates the causes and consequences of literacy difficulties, giving K-6 teachers a better understanding of how to meet the needs of each child. A comprehensive appendix provides dozens of informal assessment devices, ready to photocopy and use. Other user-friendly features include annotated bibliographies of key research, descriptions of commercial materials and curricula designed for each type of learner, and information on technology resources. Photocopy Rights: The Publisher grants individual book purchasers nonassignable permission to reproduce selected materials in this book for professional use. For details and limitations, see copyright page. Key Features: * Struggling readers are a major focus of current teaching and legislation. * Extended case studies provide realistic instructional examples. * Research base evident throughout. * Covers the causes and consequences of reading difficulties as well as how to help.

John Bergsma's popular Bible Basics for Catholics, which has sold more than 60,000 copies, offers readers an accessible vision of salvation history as it unfolds in the Bible, showing readers how the Bible points us to the saving life and work of Jesus. This new edition includes an additional chapter on covenant fulfillment in the Book of Revelation. Bergsma brings to his theology a combination of academic expertise, pastoral wisdom, and unique playfulness. Bible Basics for Catholics is based on Bergsma's popular Introduction to Theology course at Steubenville. As a teacher, Bergsma has an uncanny ability to make complex ideas understandable and faith-inspiring while staying true to both Catholic teaching and biblical scholarship. Readers will begin to see the Christian understanding of salvation by walking through the Old Testament, going through the great stories of Adam and Eve, Noah, Abraham, Moses, the great kings and prophets of Israel, and culminating in the person and work of Jesus Christ.

Classroom Boredom Busters is a blast of activities and creative ideas that will shatter tedium and inject excitement into ho-hum lessons that often cause students to complain that school is boring. This unique collection of strategies is the wake-up siren that many students need to get excited about learning and to motivate them to participate in the classroom. Activities in this book are designed to appeal to students while offering teachers a variety of detours to deadly dull test reviews, tricky note-taking sessions, awkward class discussions, and many other common classroom potholes. This book is organized into eight parts, each complete with a menu of original ideas that evolved from the author's experience in the classroom at the elementary, middle, and high-school levels. Busy teachers will appreciate the convenience of pulling this collection off the shelf and turning to activities that require little or no planning and no elaborate school supplies. All ideas have been teacher-tested with real students from fourth grade through high school and across subject areas. Benefit from the imagination and expertise of author Donna Malone, who has won many awards—including 2011 Georgia Master Teacher, Henry County System-wide Teacher of the Year, Atlanta Journal-Constitution Honor Teacher—and has been a speaker at numerous educator conferences. Ready to energize your students? Pick up Classroom Boredom Busters and reinvent your classroom today!
