JAEDEN SEMAJ

The Art of Robert E. McGinnis Taschen

In this book, Michel Lauricella presents both his artistic and systematic methods for drawing the human body—with drawing techniques from the écorché (showing the musculature underneath the skin) to sketches of models in action. In more than 1000 illustrations, the human body is shown from a new perspective—from bone structure to musculature, from anatomical detail to the body in motion. *Morpho* is a rich, fascinating, and helpful book that can go with you everywhere on your sketching journey. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 16.0px Times; color: #212121} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 16.0px Times; color: #212121; min-height: 19.0px} p.p3 {margin: 0.0px 0.0px 0.0px 0.0px; font: 11.0px Cambria; color: #212121} span.s1 {color: #232323} In this book, artist and teacher Michel Lauricella presents both his artistic and systematic methods for drawing the human body with drawing techniques from the écorché (showing the musculature and bone structure beneath the skin) to dynamic sketches of models in action. In more than 1000 illustrations, the human body is shown from a new perspective—from bone structure to musculature, from anatomical detail to the body in motion. Lauricella believes that only by learning basic human anatomy can one's drawing skills be perfected. *Morpho* is a rich, fascinating, and essential book that can go with you everywhere on your sketching journey.

Pin-Up The Art of Pin-upOne big slice of cheesecake brought to you by Dian Hanson. Based on the acclaimed XXL compendium, this accessible volume gathers nearly 100 pin-up artists, with showcase chapters for the top 10, including Gil Elvgren, George Petty and Alberto Vargas. Each chapter opens with a reproduction of an original calendar or magazine cover and boasts...Sirens: The Pin-Up Art of David Wright

"Pin-up Poster Book: The Elvgren Collection" is the book that has taken the country by storm. Gil Elvgren's pin-ups boosted the morale of our WWII fighting men the world over. Phillips includes a humorous introduction, photographs of models posing, and reproductions (suitable for framing) of the original paintings. [The Star Wars Archives. 1999-2005](#) Dh Press

Collection of cartoons, caricatures and some comic strips by R. Crumb.

Anatomy for Artists Collectors Press

Subverting stereotypical images of women, a new generation of feminist artists is remaking the pin-up, much as Annie Sprinkle, Cindy Sherman, and others did in the 1970s and 1980s. As shocking as contemporary feminist pin-ups are intended to be, perhaps more surprising is that the pin-up has been appropriated

by women for their own empowerment since its inception more than a century ago. Pin-Up Grrrls tells the history of the pin-up from its birth, revealing how its development is intimately connected to the history of feminism. Maria Elena Buszek documents the genre's 150-year history with more than 100 illustrations, many never before published. Beginning with the pin-up's origins in mid-nineteenth-century carte-de-visite photographs of burlesque performers, Buszek explores how female sex symbols, including Adah Isaacs Menken and Lydia Thompson, fought to exert control over their own images. Buszek analyzes the evolution of the pin-up through the advent of the New Woman, the suffrage movement, fanzine photographs of early film stars, the Varga Girl illustrations that appeared in *Esquire* during World War II, the early years of *Playboy* magazine, and the recent revival of the genre in appropriations by third-wave feminist artists. A fascinating combination of art history and cultural history, Pin-Up Grrrls is the story of how women have publicly defined and represented their sexuality since the 1860s.

The Little Book of Vargas Taschen

The PIN-UP Interviews is a compilation of over 50 of the most fascinating interviews from PIN-UP magazine since its first issue was published in October 2006. Serious, yet accessible, featuring the elegant and modern aesthetic PIN-UP's readers have come to expect, there is no comparable source available for such a stunning array of contemporary design talent collected in one place. It is indispensable to all lovers of today's brightest architectural and design ideas. The PIN-UP Interviews is the first book produced by PIN-UP, the award-winning, New York-based, biannual architecture and design magazine. Cheekily dubbing itself the "Magazine for Architectural Entertainment," PIN-UP features interviews with architects, designers, and artists, and presents their work informally—as a fun assembly of ideas, stories, and conversations, all paired with cutting-edge photography and artwork. Both raw and glossy, this "cult design zine" (*The New York Times*) is a nimble mix of genres and themes, finding inspiration in the high and the low by casting a refreshingly playful eye on rare architectural gems, amazing interiors, smart design, and that fascinating area where those spheres connect with contemporary art. Included in The PIN-UP Interviews are the architects David Adjaye, Shigeru Ban, Ricardo Bofill, David Chipperfield, Zaha Hadid, Junya Ishigami, Rem Koolhaas, Peter Marino, Richard Meier, and Ettore Sottsass; artists Daniel Arsham, Cyprien Gaillard, Simon Fujiwara, Oscar Tuazon, Francesco Vezzoli, Boris Rebetez, Retna, Robert Wilson, and Andro Wekua; and designers Rafael de Cárdenas, Martino Gamper, Rick Owens, Hedi Slimane, Bethan Laura Wood, and Clémence Seilles.

The Pin-Up Art of Celeste Giuliano The Monacelli Press, LLC
 In *Morpho*: Muscled Bodies, artist and teacher Michel Lauricella

presents a unique approach to learning to draw the human body. Bodybuilder athletes offer us an ideal repertoire of shapes and proportions for the representation of the superheroes and superheroines we find in comic books, animated films, cinema, and video games. This book is for those who are interested in the design, modeling, and animation of such characters, whether they're mythical, realistic, or fantastic. Geared toward artists of all levels—from beginners through professionals—this handy, pocket-sized book will help spark your imagination and creativity. (Publisher's Note: This book features an "exposed" binding style. This is intentional, as it is designed to help the book lay flat as you draw.) Table of Contents Foreword Introduction Head and Neck Torso and Shoulders Upper Limbs Lower Limbs Resources Cernunnos

Pinups: Past and Present is a curated reference survey of the state of pinup art among contemporary graphic artists, tattooists, and cartoonists. With more than 100 artists from the United States, Europe, Australia, Japan, and China included, this collection offers an unrivaled look at every different direction pin-up art design has taken since the heady days of Bettie Page. More than 200 images from the best practitioners betray the influences of the greats, such as Gil Elvgren and Olivia De Berardinis, but also show new trends, including a revival in 1980s-influenced line work in the vein of Patrick Nagel, and of biomech-influenced approaches. Every image is accompanied by a caption detailing the artist, name of work, and major influences, making this an invaluable source of information and inspiration for all graphic artists and cartoonists in the genre. In the past, pinup women were considered to be a low bar for artists and were generally taboo in the art community. The current appeal of old pinup art is the unpretentious, often naive, and joyful whimsy that celebrates the sensuality of the women depicted. Whether they're real or imaginary, pinup women are a celebration of feminine sexuality. The sheer breadth and span of pinup art today is amazing and every major genre is represented within, including: Classic American Sci-Fi and Fantasy Cartoon and Comic Book Hot Rod Neo-Surreal Pinups: Past and Present features the best contemporary artists, such as Enric Badia Romero, Carlos Cartagena, Fiona Stephenson, Chris Wahl, ONEQ, David Nakayama, Andrew Hickinbottom, Zach Gardia, Ben Tan, Marta Nael, Jan Meininghaus, David Vicente, Screaming Demons, Syd Brak, Loopydave, Natalie Chau, Jasmine Becket-Griffith, Elias Chatzoudis, and many more. For the pinup aficionado and artist, this non-stop, eye-popping book is an essential source of inspiration.

The Pin-Up Art of Bill Ward Fantagraphics Books

To escape the vengeance of a Las Vegas mobster, former pin-up girl Dottie takes refuge in Hawaii. After altering her appearance to stay under the radar, she begins earning a good living capturing

poisonous aquatic snakes and selling their venom to laboratories. Will Dottie succeed in evading the cold-blooded mafia hit-woman who has been sent to track her down? Will she triumph over a destiny that seems determined to destroy her? This book completes the Las Vegas cycle.

Original Pinup Photos Europe Comics

See your favorite pop culture icons like never before in this collection of humorous photographs featuring Sideshow figures. Join celebrated photographer Daniel Picard as he explores what his favorite pop culture heroes and villains are up to when they're not caught up in the battle between good and evil. This unique collection of meticulously composed images showcases a variety of comic book and movie icons in realistic and often hilarious everyday settings. Using fan-favorite figures from Sideshow Collectibles, Picard gives these classic characters a fresh twist, presenting them in perfectly arranged, to-scale environments that create believable scenes and tongue-in-cheek parodies. Among the gallery of memorable images are photographs of a Stormtrooper with a desk job, the Joker shopping for a Batman Halloween costume, and Harley Quinn taking a selfie. Featuring a foreword by Simon Pegg, an afterword by Kevin Smith, and an introduction from Daniel Picard detailing his one-of-a-kind take on pop culture parody, *Figure Fantasy* is a true treasure for fans, collectors, and photographers alike.

Anatomy for Artists Lulu.com

Pinup girls from the '40s and '50s had such a hard time keeping their clothes on. A loose nail, a curious pup, or even a brisk wind all seemed to exist for the purpose of disrobing unsuspecting cuties. But one important question has gone unanswered-until now: how did men always manage to dodge these obstacles? Now it's time to even the score! Welcome to the colorful world of the Cheesecake Boys, pinups for a new generation where skin-baring wardrobe malfunctions take an equal opportunity approach. Grab your crayons, markers, or colored pencils because these fellows need your magic touch-all over! Twenty-two full page, single-sided images.

Not Lost in Translation Titan Books (US, CA)

Frida Kahlo, Mexican artist and champion of justice and women's rights, transformed the pain and suffering of her life into enduringly powerful paintings. This XXL monograph brings together all of Kahlo's 152 paintings in stunning reproductions.

Gil Elvgren Duke University Press

The sudden breeze, the accidental rip, the unintentional underwear peek-a-boo: These are time-tested themes in pin-ups, but few artists have made such a delightful subject of them as Jay Scott Pike. A multitalented artist of the highest order, Pike is best known for his pin-up girls, and this full-color retrospective of his "shocked" young ladies will have readers begging for more.

Figure Fantasy powerHouse Books

From the mighty halls of ancient Alexandria to a camel bookmobile on the Kenyan-Somali border, human beings have had a long, enraptured relationship with libraries. Like no other concept and like no other space, the collection of knowledge, learning, and imagination offers a sense of infinite possibility. It's the unrivaled realm of discovery, where every faded manuscript or mighty clothbound tome might reveal a provocative new idea, a far-flung fantasy, an ancient belief, a religious conviction, or a whole new way of being in the world. In this new photographic

journey, Massimo Listri travels to some of the oldest and finest libraries to reveal their architectural, historical, and imaginative wonder. Through great wooden doors, up spiraling staircases, and along exquisite, shelf-lined corridors, he leads us through outstanding private, public, educational, and monastic libraries, dating as far back as 766. Between them, these medieval, classical, baroque, rococo, and 19th-century institutions hold some of the most precious records of human thought and deed, inscribed and printed in manuscripts, volumes, papyrus scrolls, and incunabula. In each, Listri's poised images capture the library's unique atmosphere, as much as their most prized holdings and design details. Featured libraries include the papal collections of the Vatican Apostolic Library, Trinity College Library, home to the Book of Kells and Book of Durrow, and the priceless holdings of the Laurentian Library in Florence, the private library of the powerful House of Medici, designed by Michelangelo. With meticulous descriptions accompanying each featured library, we learn not only of the libraries' astonishing holdings - from which highlights are illustrated - but also of their often lively, turbulent, or controversial pasts. Like Altenburg Abbey in Austria, an outpost of imperial Catholicism repeatedly destroyed during the European wars of religion. Or the Franciscan monastery in Lima, Peru, with its horde of archival Inquisition documents. At once a bibliophile beauty pageant, an ode to knowledge, and an evocation of the particular magic of print, *Listri Libraries* is above all a cultural-historical pilgrimage to the heart of our halls of learning, to the stories they tell, as much as those they gather in printed matter along polished shelves --

Vintage Pinup Collection Book Ten Speed Press

Describes the origins and the development in detail and showcasing the most important artists. More than 900 colour illustrations.

Rene Gonzalez Architects Flammarion

28 Unique High Quality Images Our Pin Up Models coloring book welcomes you into a relaxing, stress relieving world where you can let your coloring imagination run wild. Why Choose This Book 28 High Quality Images - 28 unique, detailed images perfect to express your creativity. Double Images - Color your favorite images twice! The extra set of images are a perfect addition in case you make a mistake, or you want to share and color along with a friend! Digital Copy Included - Every Ava Browne book comes with a code to download a free printable copy. You can print these and color as many times as you like! Single Sided Pages - Images are printed on one side of the sheet. This helps prevent bleed through onto the next page. Perfect For Different Skill Levels - All skill levels will feel right at home with this book. There is no wrong way to color. Our pages allow you to express your creativity and color the images however you would like. More About Ava Browne Fast Growing Brand - Ava Browne is a rapidly growing coloring book brand. Committed to Excellence - Ava Browne is committed to delivering high quality coloring books at a fair price. The Pin-Up Art of Humorama Titan Books (US, CA)

A pin-up model (known as a pin-up girl for a female and less commonly a male pin-up for a male) is a model whose mass-produced pictures see the widespread appeal as part of popular culture. Pin-up models were various glamour models, fashion models, or actresses. Pin-ups are intended for informal display, i.e. meant to be "pinned-up" on a wall, which is the basis for the etymology of the phrase. These pictures are also sometimes known as cheesecake photos. This book features beautiful full-color images, behind-the-scenes insights, and details about the inspiration and making of these unique pinup art pieces. The themes within this pinup collection cover a diverse array of styles, include holidays, military/patriotic, vintage, and eclectic. From a sexy librarian to Valentine's Day, you're sure to find a favorite among this pinup collection.

The Pin-Up Art of Dan de Carlo Fantagraphics Books

Indulge yourself with this stunning collection of pin-ups! The art of pin-up glorifies the female form, and John Gladman celebrates beautiful girls from all walks of life. He has a refreshing, timeless style, bringing back the art of the tease at a time when innocence has been lost. Glamour and art meet photography to create John's recognizable and unique look. His imagery is tasteful yet sexy, stirring up sensuality and allure. He has revered and admired the female form throughout his life span, learning posing from the great artists of the past, paying attention to every detail during posing from the hand placement, the arch of the back, to the expressions and nuances, creating an art piece that appears as natural happenstance. John has a modern flair mixed with vintage themes honoring the classic era of the mid-twentieth century."

R. Crumb Sketchbook Gramercy

In those countless cheap and long forgotten men's humor magazines, Ward's voluptuous "girly" drawings shared the pages with photos of Bettie Page and Mamie Van Doren, and pin-up cartoons by the likes of Archie's Dan DeCarlo and Playboy magazine's Jack Cole. Thumbing through those digests, it quickly becomes evident that Ward was Humorama's dominant pin-up cartoon artist. His mastery of the Conte crayon allowed him to produce unparalleled textures, including the wonderful sheen on satiny curve-hugging dresses and on black thigh-high stockings that became Ward trademarks. Ward's other trademark, of course, was his penchant for drawing extremely well endowed women accentuated by tiny waists, and whether playing the role of office secretaries, arm candy at cocktail parties or vamping it up in a boudoir, his women played to multiple fetishes adorned in opera-length gloves, lacy lingerie, and five-inch stiletto heels. Sometimes bawdy, but never tawdry, Ward's top-heavy Humorama women always managed to maintain their allure, innocence and glamour that made Torchy so popular.
