The Billionaire's Proposal - Part 2 Independently Published

From USA Today and Wall Street Journal bestselling author L A Cotton, comes the highly anticipated conclusion to Nicco and Arianne's duet He'll fight for her. He'll die for her... but is love enough to save them? Arianne Capizola is living a lie. Angry. Abandoned. Afraid. She'd rather spend her days locked away on her father's estate than with the guy who stole her innocence: her fiancé. Niccolò Marchetti is living a nightmare. Broken. Banished. Betrayed. He'd do anything to save the girl he loves, even if it means paying the ultimate price. As the truth surrounding their legacies begins to unravel, everything they thought they knew shatters. But Nicco will do anything to protect the girl who taught him how to love, and she will risk it all to save the guy who stole her heart. The clock is ticking as old and new enemies close in. Only this time, their love might not be enough to save them. *King of Souls in the second book in Nicco and Ari's duet. Due to mature

Villain of Secrets Eve Langlais

I've done everything right, my whole life. I never snuck out, never partied, never drank, never even had a high school boyfriend. Got all the best grades, got into all the best schools. I received not one, but TWO Ivy League University degrees. Had the paper-perfect fianc , the paper-perfect life. And then it all fell apart. My fianc cheated on me with my boss. I quit my job, left my fancy, upper-crust Boston condo, dumped my cheating fianc ...quit my entire life, basically. Took to day-drinking and bingeing Netflix. And then my younger sister Lexie calls me in a panic. She needs me to come rescue her, but won't say from what, just that I need to come get her...at her university...in New York. Which leads Lexie and I on road trip across the country. We form the no-bra man-hating day-drinkers roadtrip club...membership two. And then I...ummm...overindulge just a little bit, at a country music festival. Get harassed by assholes. Have to be saved by tall, dark, and handsome man named Crow. Crow turns my whole world upside down. He shows me what real pleasure is. Shows me what I've been missing my whole life...what a man can and should do to make a woman feel really, really good. He's bad. Dangerous. Wild. He has a bad mouth, hard fists, and a dark, mysterious past. And a talented tongue. And hands I find myself wanting all over me, in a desperate way I thought was only real in the romances I read. And now, suddenly, I find myself wanting a wild mustang of a man, an untamable force of nature...and wondering if there's room in my safe, orderly, good girl world for him. Or if maybe I can learn how to be...not so good.* * *She's everything good and sweet and innocent in the world, and I'm a hard-fisted brawler, an outlaw with a bloodstained past. I'm the exact, polar opposite to everything Charlie Goode is. I want her-I want her quick mind and her soft skin, her sexy curves and her sharp tongue. I want her body, and I want her soul. But I can't have her. When she finds out about the bloody, violent truth of my past, she won't want anything to do with me. She'll run away as fast and as far as she can, because I'm not meant for a sweet, innocent thing like her. Until then, though, I plan on getting her a little dirty. Showing her some of the wild side where I live my life. Take what I can get, and enjoy the ride, and worry about the state of my heart later. You know what they say about the best laid plans, though. New York Times bestselling author RaeAnne Thayne brings readers a heartwarming snowed-in romance in this prequel novella! Gemma Summerhill wanted a fresh start in Haven Point, a place where no one knew about her accident and would treat her like a fragile rose because of it. Getting stranded on the side of a mountain was not part of that plan, nor was being rescued by Josh Bailey—a man too confident for his own good—and going back to his ranch to wait out the storm. But the snow isn't letting up, and with a warm fire keeping them cozy, Gemma and Josh might let their guards down...if past grief doesn't overshadow their present—and future. This book presents new technologies which are available now for the rehabilitation of visual acuity in patients suffering from keratoconus and for arresting the progression of this frustrating disease. All these current treatment options in differing combinations aim to improve the quality of life of the patients and although successful, they are causing confusion for the ophthalmologists; what procedure to do and when? How to perform? Which combination of treatments to choose? Controversies in the Management of Keratoconus provides the widely used treatment options for keratoconus including collagen corneal cross-linking (CXL) covering all the available techniques, intrastromal corneal ring segments (ICRS) , phakic intra-ocular lenses (IOLs), photorefractive keratectomy (PRK) combined or not with CXL penetrating keratoplasty (PK) and deep anterior lamellar keratoplasty (DALK).
