Evil exists. I know-I was created from it. Most students at Guardian Angel Academy lived a good, possibly boring life on earth before their untimely deaths, which landed them at the academy, learning how to be good guardians for the hapless mortals still breathing. Not me. My time on earth was

spent as a servant of darkness, performing acts unmentionable to the undefiled ears of the angels at the academy. But somehow, I was given a chance at redemption. Somehow, I got enrolled here. And somehow, I have to prove myself worthy of my angel wings. Or I'll get sent back where I came from. Now if I can just survive the weapons instructor determined to find me guilty of demonry, the mysterious dark angel who won't get out of my thoughts, and the hot-as-you-know-where angel who hates my guts because of who I am. There is just one small problem . . . I made a promise. A promise to the lord of the devils. If I keep it, my soul is forever damned. But if I break it, I will be destroyed. Welcome to Guardian Angel Academy.

What consequence does Lucifer give his daughter? *Celestial Academy: The Complete Series* omnibus is all three books in the *Celestial Academy* trilogy as well as an exclusive bonus novella, *Angel Baby & The Holy Grail*. Book 1: *Ascend* My friends always complained about their parents' rules and consequences. Well, I have them beat. I'm the daughter of the devil and was just expelled from my senior year of high school for breaking a guy's nose. Did Lucifer torture my soul? Did he condemn me to the fiery pits of Hell? None of the above. He sent me to *Celestial Academy*, where college-aged angels go to learn to be guardians. The only problem is I don't have wings, and I'm certainly no saint. Being Lucifer's daughter in a school full of angels is no walk in the park. I'd much rather be tortured in Hell. That is until I meet three men that make me feel like anything is possible. Why choose when I can have them all? Book 2: *Descend* I'm meant to save the light from the dark with my four guardians. Whatever that means. The problem is, I'm a mess. Weeks have passed since my world tilted on its axis. Tobias, Asher, and Oliver may have put my shattered heart back together again, but something once broken is never quite the same. Every time I shut my eyes I find myself stuck in an endless loop of fear and worry. And then Reve appears. He waltzed his way into my dreams and swept me off my feet. Will the three angels in my life accept a demon? Will they accept me? I was just starting to figure out who I was... until I discovered my mother was a fraud. Now, I don't even know who I am anymore. Book 3: *Transcend* School is back in session and we are no closer to getting my dad back. To make matters worse demons have been getting through to Earth at an alarming rate. Hell on Earth is coming, unless I can stop it. In order to save everyone and everything I love, I have to face my fears. With the help of Tobias, Asher, Oliver, and Reve, I know I can do anything. Even if that means going to a place that sends shivers down my spine. *Inferna* isn't for the faint of heart. It's called hell for a reason. Not everyone will survive. Will I? Exclusive Novella: *Angel Baby & The Holy Grail* After months of uncertainty, I can finally relax on my honeymoon. At least for a day. The Holy Grail is still missing and now Oliver must find it or return to heaven. We can't let that happen. Where is the Holy Grail? *Angel Baby & The Holy Grail* is a 13,000 word novella that picks up after the epilogue of *Transcend*. *Ascend*, *Descend*, and *Transcend* are fast burn reverse harem full-length novels written with multiple POVs. They contain M/M scenes, light academy bullying, and a teacher/student romance.

An Unknown Chapter in Philippine History Emmanuel Quason Yap possessed a unique perspective on world affairs. This was largely a product of his upbringing and life experience, which underpinned his great love of country. Through his life, we see a clear view of the road not taken. This book portrays one of the most significant and turbulent chapters in Philippine history in this context. The period from the late 1950s to the early 1970s witnessed a resurgence of the nationalist movement, the election of Ferdinand Marcos as president, the establishment of the Communist Party of the Philippines, the First Quarter Storm, the bombing of Plaza Miranda, and the declaration of martial law. Manoling Yap cast a different light on these

events, including the roles of Marcos, and Ninoy and Cory Aquino. Inevitably, many disagreed with his analysis and some dismissed him as a Communist. Ironically, it was during this period that his career reached both its zenith and nadir. Because of illness, he was unable to write his autobiography as he had always intended. But his analysis and interpretation of important events present an alternative viewpoint that must be known. This is Manoling Yap's story
