Her Happy Ever After Houghton Mifflin Harcourt
 You have clout. Have you discovered it yet? It is easy to believe that power, influence, and leadership are gifts given to a special few. But the Bible says otherwise. We all long for significance, even as we fear we will never be good enough. We listen for God, but hear only voices of doubt and practicality. Listen again. There is a call that only you can answer. Clout is power and influence. It is an undeniable trait that opens doors and moves mountains.

You have it, and you can use it to change the world around you. With Scripture and stories from her own life, Jenni Catron maps out the pitfalls and clear paths on the way toward discovering and unleashing your very own clout. This is not a quest of power for power's sake. Influence is not a guarantee of fame or fortune. It is an opportunity to use your gifts to do the extraordinary. This is a journey toward dismantling what stands in the way of your influence and leadership, discovering your God-given clout, and using it to answer God's calling on your life. Learn about Jesus and others who sought to lead like him. Stop dreaming and start planning. Define your direction, set your goals, and confront the challenges that stand between you and the person God made you to be. Step into your sphere of influence with the humble confidence of Christ. Don't hide. We need you. Discover your clout here.

A novel "as haunting as a dream" from the New York Times-bestselling, Newbery Medal-winning author of *The Giver* (Kirkus Reviews, starred review). Where do dreams come from? What stealthy nighttime messengers are the guardians of our most deeply hidden hopes and our half-forgotten fears? This imaginative novel confronts these questions and explores the conflicts between the gentle bits and pieces of the past that come to life in dream, and the darker horrors that find their form

in nightmare. In a haunting story that tiptoes between reality and fantasy, two people—a lonely, sensitive woman and a damaged, angry boy—face their own histories and discover what they can be to one another, renewed by the strength that comes from a tiny, caring creature they will never see. “Lyrical, richly descriptive prose ushers readers into a fascinating parallel world inhabited by appealingly quirky characters.”—Publishers Weekly (starred review) “A beautiful novel with an intriguing premise.”—School Library Journal (starred review)

Success does not happen by luck or chance: It is premeditated. That is why you must dream with your eyes open, which is what A. P. J. Abdul Kalam, the former president of India, was getting at when he famously said, Dreams are not those that we see in our sleep; they should be the ones that never let us sleep. In this guide to knowing yourself and achieving success, you'll discover how to live a life filled with purpose. You'll learn why: knowing yourself is the secret to living a life of abundance; prioritizing how you spend time is paramount to achieving success; and developing good habits allows you to capitalize on opportunities. You'll also get insights from dream walkers such as Napoleon Hill, author of *Think and Grow Rich*; marketing guru Seth Godin; Col. Harland Sanders, founder of Kentucky Fried Chicken; author and political activist Helen Keller; and many others. To change your life, you must act with awareness. Tap your unlimited potential, and unleash the power of your mind with the lessons in *The Dream Walker*.
