### Arab Spring, Libyan Winter

HarperCollins

History has not been kind to Jefferson Davis. His cause went down in disastrous defeat and left the South impoverished for generations. If that cause had succeeded, it would have torn the United States in two and preserved the institution of slavery. Many Americans in Davis's own time and in later generations considered him an incompetent leader, if not a traitor. Not so, argues James M. McPherson. In *Embattled Rebel*, McPherson shows us that Davis might have been on the wrong side of history, but it is too easy to diminish him because of his cause's failure. In order to understand the Civil War and its outcome, it is essential to give Davis his due as a military leader and as the president of an aspiring Confederate nation. Davis did not make it easy on himself. His subordinates and enemies alike considered him difficult, egotistical, and cold. He was gravely ill throughout much of the war, often working from home and even from his sickbed. Nonetheless, McPherson argues, Davis shaped and articulated the principal policy of the Confederacy with clarity and force: the quest for independent nationhood. Although he had not been a fire-breathing secessionist, once he committed himself to a Confederate nation he never deviated from this goal. In a sense, Davis was the last Confederate left standing in 1865. As president of the Confederacy, Davis devoted most of his waking hours to military strategy and operations, along with Commander Robert E. Lee, and delegated the economic and diplomatic functions of strategy to his subordinates. Davis was present on

several battlefields with Lee and even took part in some tactical planning; indeed, their close relationship stands as one of the great military-civilian partnerships in history. Most critical appraisals of Davis emphasize his choices in and management of generals rather than his strategies, but no other chief executive in American history exercised such tenacious hands-on influence in the shaping of military strategy. And while he was imprisoned for two years after the Confederacy's surrender awaiting a trial for treason that never came, and lived for another twenty-four years, he never once recanted the cause for which he had fought and lost.--Publisher.

**Crystal Storm** Farrar, Straus and Giroux  
 War brought them together. Love will tear them apart. Alliances form across Mytica and beyond as royals and rebels alike race to hunt down the Kindred—the four elemental crystals that give their owners god-like power. The stakes have never been higher for Magnus and Cleo, who are brought together by a life or death decision that will lock their fates and change the course of the kingdom forever.

Rebel Richmond World Scientific  
 As featured in the Oscar-nominated documentary *Crip Camp*, and for readers of *I Am Malala*, one of the most influential disability rights activists in US history tells her story of fighting to belong. "If I didn't fight, who would?" Judy Heumann was only 5 years old when she was first denied her right to attend school. Paralyzed from polio and raised by her Holocaust-surviving parents in New York City, Judy had a drive for equality that was instilled early in life. In this young readers' edition of her acclaimed memoir, *Being Heumann*, Judy shares her journey of battling for

equal access in an unequal world—from fighting to attend grade school after being described as a “fire hazard” because of her wheelchair, to suing the New York City school system for denying her a teacher’s license because of her disability. Judy went on to lead 150 disabled people in the longest sit-in protest in US history at the San Francisco Federal Building. Cut off from the outside world, the group slept on office floors, faced down bomb threats, and risked their lives to win the world’s attention and the first civil rights legislation for disabled people. Judy’s bravery, persistence, and signature rebellious streak will speak to every person fighting to belong and fighting for social justice.

*The Fairy Rebel* Rebel Girls

In the spring of 1861, Richmond, Virginia, suddenly became the capital city, military headquarters, and industrial engine of a new nation fighting for its existence. A remarkable drama unfolded in the months that followed. The city’s population exploded, its economy was deranged, and its government and citizenry clashed desperately over resources to meet daily needs while a mighty enemy army laid siege. Journalists, officials, and everyday residents recorded these events in great detail, and the Confederacy’s foes and friends watched closely from across the continent and around the world. In *Rebel Richmond*, Stephen V. Ash vividly evokes life in Richmond as war consumed the Confederate capital. He guides readers from the city’s alleys, homes, and shops to its churches, factories, and halls of power, uncovering the intimate daily drama of a city transformed and ultimately destroyed by war. Drawing on the stories and experiences of civilians and soldiers, slaves and masters,

refugees and prisoners, merchants and laborers, preachers and prostitutes, the sick and the wounded, Ash delivers a captivating new narrative of the Civil War’s impact on a city and its people. *Embattled Rebel* Univ of California Press In this thrilling sequel, Gemma continues to pursue her destiny to bind the magic of the Realms and restore it to the Order. Gemma and her friends from Spence use magical power to transport themselves on visits from their corseted world of Victorian London (at the height of the Christmas season), to the visionary country of the Realms, with its strange beauty and menace. There they search for the lost Temple, the key to Gemma’s mission, and comfort Pippa, their friend who has been left behind in the Realms. After these visits they bring back magical power for a short time to use in their own world. Meanwhile, Gemma is torn between her attraction to the exotic Kartik, the messenger from the opposing forces of the Rakshana, and the handsome but clueless Simon, a young man of good family who is courting her. This is the second book in Libba Bray’s engrossing trilogy, set in a time of strict morality and barely repressed sensuality, about a girl who saw another way.

In the epic conclusion to the *Falling Kingdoms* series, sworn enemies must become allies as they fight to save Mytica. Jonas continues to willfully defy his destiny, but the consequences of plotting his own course are drastic. As the fight for Mytica rages on, he must decide just how much more he’s willing to sacrifice. Lucia knows there’s something special about her daughter and she’ll do anything to protect her, even if that means facing Kyan alone.

Amara is called back home to Kraeshia. Grandma Cortas has her own plans for Mytica's future. She promises Amara power, revenge, and dominance if she agrees to be part of her scheme. Magnus and Cleo's love will be put to the ultimate test. Dark magic is causing widespread destruction throughout the kingdom. Enemies across the sea are advancing. And unrest is stirring throughout the land. Is their love strong enough to withstand the outside forces tearing them apart?

**Her Rebel Highness (Daughters of the Dynasty)** Chilton Book Company

Captain Matthew Glenn served the Union faithfully, risking his life on many occasions during secret missions in service to his country. But when Virginia seceded and joined the Confederacy, forcing him to choose sides, loyalty to home and family had to come first. Resigning his commission and returning home to serve his state, he found himself drawn into service by his former superior, the newly-appointed General Robert E. Lee, who asks that Glenn perform the same duties for his new country. Amidst the turmoil of secession and creating a new country in the face of Union opposition, Lee's first task is direct: Ride into Washington City, into the heart of the Union's war effort, and find out their plans to subdue the South. Paired with a wayward cavalryman, Glenn's mission is immediately discovered by Union agents, forcing him to detour west- into the mountains of Virginia, where Confederate support is weak and Union resources are abundant. Federal agents are the least of Glenn's worries, as he has to contend with anti-Confederacy Virginians who'd love to see him fail, and opportunists who don't care who wins as long as they get paid. Success of his mission could prevent a

bloody war; failure could doom the South's bid for independence. It's a tall order for one man- and with hidden enemies at every turn, where can he turn for allies?

*Americanized: Rebel Without a Green Card* Penguin Books

The sensational high fantasy series that is Game of Thrones for teens Auranos has been conquered and the three kingdoms--Auranos, Limeros, and Paelsia--are now unwillingly united as one country called Mytica. But alluring, dangerous magic still beckons, and with it the chance to rule not just Mytica, but the world. . . .

Zapatista Spring UNC Press Books

Haunted by history. Bound by mystery. Lori Chase doesn't know what to think about ghosts. She may have seen a few in the past, but those were just childish imaginings . . . right? Only now that she is living in Gettysburg, Pennsylvania, spirits seem to be on everyone's mind. The town is obsessed with its bloody Civil War history, and the old inn that Lori's parent run is supposedly haunted by the souls of dead soldiers. Then Lori meets one such soldier -- the devastatingly handsome Nathaniel Pierce. Nathaniel's soul cannot rest, and he desperately needs Lori's help. Because Nathaniel was not killed in the famous battle. He was murdered. Lori begins to investigate the age-old mystery, stumbling upon shocking clues and secrets. At the same time, she can't help falling for Nathaniel, just as he is falling for her . . . .

You know you were born for greatness. So, what are you going to do about it? This spirited guide will get you fired up to activate your life purpose and go after your biggest badass dreams. Everyone wants to build a life of meaning,

purpose, and joy--a life where their brilliance shines in the world and lights the way for others. The problem is, we get so caught up in the "shoulds" of other people's expectations--all the ways that we try to people-please and forget to listen to our inner knowing. Life starts to feel like it "just happens" to us, without us realizing that we always have the option to get what we truly desire. This irreverent book will guide you through the intentional process of letting go of others' expectations and living your best life--a life of brilliance that lights the way for others.

*Rebel Spirits* Penguin

The New York Times bestselling novel by the Goodreads Choice Awards Best Debut Author of 2016, published in 15 countries! Mortals rule the desert nation of Miraji, but mythical beasts still roam the wild and remote areas, and rumor has it that somewhere, djinn still perform their magic. For humans, it's an unforgiving place, especially if you're poor, orphaned, or female. Amani Al'Hiza is all three. She's a gifted gunslinger with perfect aim, but she can't shoot her way out of Dustwalk, the back-country town where she's destined to wind up wed or dead. Then she meets Jin, a rakish foreigner, in a shooting contest, and sees him as the perfect escape route. But though she's spent years dreaming of leaving Dustwalk, she never imagined she'd gallop away on mythical horse—or that it would take a foreign fugitive to show her the heart of the desert she thought she knew. A New York Times bestseller Film rights optioned by Willow Smith "Evokes such disparate influences - 1,001 Arabian Nights, Hindu lore, and Navajo myth, as well as, inevitably, the triumvirate of Tolkien, Lucas and Rowling." —The New York Times Book Review "Fans of Sarah

Maas and Victoria Aveyard should give this one a try." —VOYA

*A Rebel in Gaza* Penguin

In development as a television series from Reese Witherspoon's Hello Sunshine production company and ABC Studios! This hilarious, poignant and true story of one teen's experience growing up in America as an undocumented immigrant from the Middle East is an increasingly necessary read in today's divisive world. Perfect for fans of Mindy Kaling and Trevor Noah's books. "Very funny but never flippant, Saedi mixes '90s pop culture references, adolescent angst and Iranian history into an intimate, informative narrative." —The New York Times At thirteen, bright-eyed, straight-A student Sara Saedi uncovered a terrible family secret: she was breaking the law simply by living in the United States. Only two years old when her parents fled Iran, she didn't learn of her undocumented status until her older sister wanted to apply for an after-school job, but couldn't because she didn't have a Social Security number. Fear of deportation kept Sara up at night, but it didn't keep her from being a teenager. She desperately wanted a green card, along with clear skin, her own car, and a boyfriend. Americanized follows Sara's progress toward getting her green card, but that's only a portion of her experiences as an Iranian-"American" teenager. From discovering that her parents secretly divorced to facilitate her mother's green card application to learning how to tame her unibrow, Sara pivots gracefully from the terrifying prospect that she might be kicked out of the country at any time to the almost-as-terrifying possibility that she might be the only one of her friends without a date to the prom. This moving, often hilarious story is for anyone who has

ever shared either fear. FEATURED ON NPR'S FRESH AIR A NYPL BEST BOOK OF THE YEAR A CHICAGO PUBLIC LIBRARY BEST OF THE BEST BOOK SELECTION A SCHOOL LIBRARY JOURNAL BEST BOOK OF THE YEAR FOUR STARRED REVIEWS!

"A must-read, vitally important memoir. . . . Poignant and often LOL funny, Americanized is utterly of the moment."—Bustle "Read Saedi's memoir to push out the poison."—Teen Vogue "A funny, poignant must read for the times we are living in today."—Pop Sugar

During the harsh winter of 1779-80, a fourteen-year-old patriot boy finds himself torn between protecting the friend who saved his life or turning him in as a British spy.

Rolling Warrior Vintage

An epic clash between gods and mortals threatens to tear Mytica apart . . . and prove that not even the purest of love stands a chance against the strongest of magic. MAGNUS and CLEO are forced to test the strength of their love when Gaius returns to Mytica claiming he's no longer the King of Blood but a changed man seeking redemption. LUCIA, pregnant with the child of a Watcher, has escaped the clutches of the unhinged fire god. Her powers are dwindling as she goes forth to fulfill a prophecy that will keep her baby safe . . . but could mean her demise. JONAS treks back to Mytica with a plan to overtake Amara, but fate takes hold when he runs into the beautiful Princess Lucia and joins her on her perilous journey. AMARA has taken the Mytican throne, but with no way to unleash the water magic trapped within her stolen crystal, she'll never be able to seize glory and get sweet revenge. And what kind of darkness will descend--and who will be safe--after Prince Ashur reveals

the dangerous price he paid to cheat death?

Rebel Spring Houghton Mifflin Harcourt  
SCMP's reporting team looks back at Hong Kong's most wrenching political crisis since its return to Chinese rule in 1997. Anti-extradition bill protests that morphed rapidly into a wider anti-government movement in 2019 left no aspect of the city untouched, from its social compact to its body politic to its open economy. The demonstrations which continued well into 2020 have tested every institution of the city, from the civil service to the police to the courts and even its rail transport operator, and from offices and businesses to universities and schools, and from churches to families and even friends. This book is for anyone seeking to understand not just what Hong Kong has gone through but also the global phenomenon of increasingly leaderless protest movements. Fueled by profound angst about the place of millennial youth in society, widening income inequality, and the speed of digital communications, Hong Kong was in retrospect ripe to be the laboratory for a new-age protest movement, nearly a decade after the Middle East's Arab spring. The essays in the book collectively compose a picture of a society in trauma, bent and broken, but showing signs of an uncanny ability to bounce back. What shape it will be in a few years from now, however, is much harder to predict. Related Link(s)  
Screams of Late Spring AK Press  
From the moment Penny, Polly, and Molly hatch from their eggs, the whole farm knows they are truly tough chicks. They wrestle worms, rope roosters, and are often found under the hood of the tractor. All the other animals and even the farmer himself tell Mama Hen to

make her chicks good. "They are good!" Mama Hen replies. But could her chicks be too loud, too independent, and too tough? Lively language and bold illustrations capture all the fun and humor of this delightfully different farmyard romp that's also a resounding endorsement for letting girls be girls (even if they're loud and tough and like to play with tractors.)

*Turncoat Winter, Rebel Spring* Simon and Schuster

Two Counties has always been a bit peculiar. More unmarked graves are dug there than proper ones, they say. And families keep secrets too. I'd learn that the hard way. Pop and I caught the early train to Mitchell, Indiana, that morning. I was excited to see my cousin Birdy and run around town all day. But after I had an encounter with a cutthroat on the train, and when I found out I had a brother named Ray, I figured things couldn't get any more dangerous or strange. Well I was wrong about that. Before I could blink, I was off on a journey with Birdy and Ray, into the wilds of Two Counties, bound for Rebel Joe's cave. I had no idea who Rebel Joe was or what was in his cave. I just hoped he wouldn't be home when we got there.

**Rebel Cities: From the Right to the City to the Urban Revolution** Penguin UK

Four young people, from both modern-day Toronto and ancient Mytica, are brought together by a mysterious, magical book.

**Rebel City: Hong Kong's Year Of Water And Fire** AK Press

Why Men Rebel was first published in 1970 after a decade of political violence across the world. Forty years later, serious conflicts continue in Africa, Asia and the Middle East. Ted Robert Gurr reintroduces us to his landmark work, putting it in context with the research it influenced as well as world events. Why Men Rebel remains highly relevant to today's violent and unstable world with its holistic, people-based understanding of the causes of political protest and rebellion. With its close eye on the politics of group identity, this book provides new insight into contemporary security challenges.

R Is for Rebel Ember

The Fairy Queen strictly forbids fairies from using their magic power on humans. But after Tiki accidentally meets Jan, a woman who is desperate for a baby daughter, she finds it impossible to resist fulfilling her wish. Now up against the dark and vicious power of evil, this fairy rebel must face the Queen's fury with frightening and possibly fatal results.
