SIMMONS CHEN

I, [Rigoberta Menchu](#) New Directions Publishing
WINNER OF THE IMPAC DUBLIN AWARD • Widely considered a masterpiece, a breathtaking novel about family secrets that chronicles the relentless power of the past—from "Spain's best writer" (Roberto Bolaño, national bestselling author of *The Savage Detectives*). Juan knows little of the interior life of his father Ranz; but when Juan marries, he begins to consider the past anew, and begins to ponder what he doesn't really want to know. Secrecy—its possible convenience, its price, and even its civility—hovers throughout the novel. *A Heart So White* becomes a sort of anti-detective story of human nature. Intrigue; the sins of the father; the fraudulent and the genuine; marriage and strange repetitions of violence: Marías elegantly sends shafts of inquisitory light into shadows and onto the costs of ambivalence.
[Philosophy For Dummies](#) Rowman & Littlefield
 Voted America's Best-Loved Novel in PBS's *The Great American Read* Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, *To Kill a Mockingbird* has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular

motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.

[Lectura, sociedad y redes: Colaboración, visibilidad y recomendación en el ecosistema del libro](#) St. Martin's Press

Este volumen reúne los noventa y cinco artículos publicados por Javier Marías en el suplemento dominical *El País Semanal* entre el 8 de febrero de 2015 y el 29 de enero de 2017. Noventa y cinco piezas que ofrecen una instantánea de la realidad, del gran articulista de la prensa española actual. «¿Se puede hacer algo en un mundo en el que contamos con grabaciones, con sonido e imágenes, con máquinas calculadoras más fiables que nunca, y todo ello se refuta con desfachatez? ¿Estamos adormilados, hipnotizados o simplemente idiotizados para creer más a los distorsionadores que a nuestros ojos y oídos, y aun que a la aritmética?», se pregunta el autor en uno de los textos incluidos en este libro. Y concluye su reflexión: «Si es así, rindámonos». Vivimos tiempos en los que no se puede soslayar el triunfo de las radicalidades, de las militancias de todo signo y de los buloscotidianos; la célebre posverdad se impone a lo real y gran parte de los ciudadanos solo lee, oye o ve a los de su cuerda, atrincherados en la comodidad de un pensamiento coincidente. En estas circunstancias, Javier Marías es un outsider necesario. Con su estilo elegante, su exquisita educación y su gran sentido del humor, lleva a cabo en sus artículos algo infrecuente: matizar, razonar, dar mandobles a unos y a otros cuando lo considera conveniente, no ejercer banderías ni lo políticamente correcto. En medio del ruido global en el que estamos inmersos, las piezas de opinión

recogidas en Cuando los tontos mandan resultan indispensables para formarnos una opinión personal sobre gran variedad de temas y para entender el mundo actual. Y confirman a Javier Marías como una de las voces más representativas y valoradas de la auténtica disidencia. Reseñas: «Quien no lea a Marías está condenado.» The Nation «Su mente es profunda, aguda, a veces turbadora, a veces hilarante, y siempre inteligente.» Edward St Aubyn, The New York Times Book Review

[When Outlaws Wore Badges](#) PURE SNOW PUBLISHING

In the dark narratives that make up *When I Was Mortal* by Javier Marías, winner of the Dublin IMPAC prize and author of the bestselling *A Heart So White*, a dapper Paris doctor dispenses a treatment for dissatisfied wives. A mother auditions for her first porn movie. A writer working on a study of pain makes himself the subject of his experiments. A voyeur mistakes a murderer for a fellow peeping tom ... these are some of the characters observed by the narrator of these chilling stories. Ironic, unsettling, imbued with dread and with droll humour, Javier Marías' short tales cast a shrewd, sardonic eye on humanity. Javier Marías was born in Madrid in 1951. He has published ten novels, two collections of short stories and several volumes of essays. His work has been translated into thirty-two languages and won a dazzling array of international literary awards, including the prestigious Dublin IMPAC award for *A Heart So White*. He is also a highly practised translator into Spanish of English authors, including Joseph Conrad, Robert Louis Stevenson, Sir Thomas Browne and Laurence Sterne. He has held academic posts in Spain, the United States and in Britain, as Lecturer in Spanish Literature at Oxford University.

Ever After High: Hunter Huntsman's Story Vintage

Jacques Deza is in a kind of limbo. Separated from his wife and child, living in London to make a break from Spain, he has found work with an M16-like organisation who employ him for his acute powers of observation and insight into human nature. But, as Jacques discovers, it is not possible to distance yourself from other human beings entirely.

The Early Stories of Truman Capote New Directions Publishing

Don't miss this pulse-pounding original story, the sequel to *Hello Neighbor: Missing Pieces*, based on the hit video game from tinyBuild!

Soñar con las manos Little, Brown Books for Young Readers

Cuando la sociedad es el tirano reúne los noventa y seis artículos publicados por Javier Marías en el suplemento dominical *El País Semanal* entre el 5 de febrero de 2017 y el 27 de enero de 2019. «Detrás de lo que hoy se considera la sacrosanta "opinión pública", a menudo no hay casi nadie real ni reflexivo, sólo unos cuantos activistas que saben multiplicarse, invadir el espacio [...]. Cualquier sociedad es por definición manipulable, y en muy poco tiempo se le crean e inculcan ideas inamovibles», dice el autor en la pieza que da título a este volumen. En sus artículos, Marías, que sí es alguien real, se esfuerza incansablemente por reflexionar acerca de toda clase de asuntos y por que los lectores, a su vez, también lo hagan.

Consciente de los males que nos acechan por doquier -la demagogia, los extremismos, el peligro siempre latente de los sistemas totalitarios y los tics dictatoriales-, nos previene de los «vientos del autoritarismo» y de su contagio en un tiempo en el que cada vez parece más difícil esquivar la exigencia de ortodoxia y unanimidad de pensamiento. Este volumen recoge algunos de los artículos de Javier Marías que suscitaron una polémica más encendida. Pero frente al confuso y ensordecedor ruido mediático, su lectura hoy, liberada del juicio de intermediarios, permite al lector disfrutar del ingenio con el que el autor razona sobre la actualidad sin dar la batalla por perdida, sin renunciar a su libertad ni al sentido del humor, la ternura o el homenaje personal en algunas ocasiones. La crítica ha dicho... «Una oportunidad para seguir sus razonamientos lúcidos y penetrantes, [...] nunca pomposos ni aduladores. Se trata de fomentar la personalidad y la inteligencia de los lectores, de servirles un trampolín para enriquecerse a pensar sobre lo que no se piensa o no se permite cuestionar.» Miquel Escudero, CatalunyaPress

Al lobo dormido Penguin

In this classic work of developmental psychology, renowned psychiatrist and the co-author of the #1 New York Times bestseller *What Happened to You?* reveals how trauma affects children—and outlines the path to recovery. "Fascinating and upbeat.... Dr. Perry is both a world-class creative scientist and a compassionate therapist." -Mary Pipher, PhD, author of *Reviving Ophelia* How does trauma affect a child's mind—and how can that mind recover? Child psychiatrist Dr. Bruce D. Perry has helped children faced with unimaginable horror: genocide survivors, murder witnesses, kidnapped teenagers, and victims of family violence. In the classic *The Boy Who Was Raised as a Dog*, Dr. Perry tells their stories of trauma and transformation and shares their lessons of courage, humanity, and hope. Deftly combining unforgettable case histories with his own compassionate, insightful strategies for rehabilitation, Perry explains what happens to children's brain when they are exposed to extreme stress—and reveals the unexpected measures that can be taken to ease such pain and help them grow into healthy adults. Only when we understand the science of the mind and the power of love and nurturing can we hope to heal the spirit of even the most wounded child.

A Heart So White Diamond Pocket Books Pvt Ltd

Este libro es una compilación de artículos de opinión publicados entre 2016-2018 en diferentes medios, los cuales, sin embargo, gozan de cabal actualidad, pues permiten tener una visión retrospectiva de los importantes sucesos respecto a la educación en México de los últimos años. Con epicentro en la escuela y su papel en la educación personalizante, se trata aquí una gran diversidad de temas: desde aquellos que han desatado grandes polémicas a nivel nacional, hasta muchos otros aparentemente menos trascendentes, pero, sin duda, también relevantes, como el de la exclusión del error como fuente de aprendizaje y la construcción del conocimiento que se ha hecho en las escuelas al optar por la transmisión de supuestas certezas y castigar con una calificación reprobatoria a quien lo comete.

[Siempre pagamos los mismos](#) Marcial Pons

Presents a collection of short stories, including "While the women are sleeping," in which a man lying on the beach speculates on the lives of another pair of beach goers, and "The Resignation Letter of Señor de Santiesteban," in which a ghost jeopardizes the job of a new teacher.

[Waking Nightmare \(Hello Neighbor, Book 2\)](#) Simon and Schuster

In *Many Lives, Many Masters*, Brian Weiss opened an unexpected door into the astonishing realm of past-life regression. Now he reveals the miraculous potential of love. You'll hear the intimate and startling testimonies of real people who express a profound but simple truth—one that comes from the eternal souls around us. You'll discover what happens to us after we die, strategies for fighting anxiety and healing relationships, and the

role of God and self-determination. You'll explore exercises and meditations to tap into the power of love and utterly transform your life. The Messages from the Masters are here. Are you ready for them?

The Seville Communion Book Jungle

Now a global bestseller, the remarkable life of Rigoberta Menchú, a Guatemalan peasant woman, reflects on the experiences common to many Indian communities in Latin America. Menchú suffered gross injustice and hardship in her early life: her brother, father and mother were murdered by the Guatemalan military. She learned Spanish and turned to catechistic work as an expression of political revolt as well as religious commitment. Menchú vividly conveys the traditional beliefs of her community and her personal response to feminist and socialist ideas. Above all, these pages are illuminated by the enduring courage and passionate sense of justice of an extraordinary woman.

Dance and Dream New Directions Publishing

[Reading line] Lawman or Outlaw? At times, the black-hatted “villains” and white-hatted “good guys” of the Old West were one and the same. Often it was difficult, if not impossible, to distinguish who was who. Sheriff Wyatt Earp stole horses and ran brothels. Albuquerque’s first town marshal, Milton Yarberry, was accused of murder and subsequently “jerked to Jesus.” Burt Alvord, town marshal of Willcox, Arizona, and friends, robbed a train. Alvord then deputized these same friends into a posse to apprehend the robbers. It came as no surprise when his posse came up empty handed. Justice Hoodoo Brown and Deputy JJ Webb ruled Las Vegas as leaders of the Dodge City Gang until they were run out of town by citizens fed up with their type of justice. “Mysterious” Dave Mather and even two of the Dalton Gang spent time behind a badge, as well as behind bars. When *Outlaws Wore Badges* explores the double lives of outlaw lawmen through some of the West’s most memorable frontier characters.

Written Lives Penguin UK

From the award-winning, internationally best-selling Spanish writer, author of *The Infatuations*, comes a gripping new novel of intrigue and missed chances—at once a spy story and a profound examination of a marriage founded on secrets and lies. When Berta Isla was a schoolgirl, she decided she would marry Tomás Nevinson—the dashing half-Spanish, half-English boy in her class with an extraordinary gift for languages. But when Tomás returns to Madrid from his studies at Oxford, he is a changed man. Unbeknownst to her, he has been approached by an agent from the British intelligence services, and he has unwittingly set in motion events that will derail forever the life they had planned. With peerless insight into the most shadowed corners of the human soul, Marías plunges the reader into the growing chasm between Berta and Tomás and the decisions that irreversibly change the course of the couple's fate. *Berta Isla* is a novel of love and truth, fear and secrecy, buried identities, and the destinies we bring upon ourselves.

While the Women Are Sleeping B DE BOOKS

A major literary event: a collection of never-before-published short stories from one of America's most beloved writers In a small Southern town, a teenage girl anxiously waits for her date to arrive. A woman fights to save the life of a child who has her lover's eyes. Best friends on the Upper East Side discuss the theoretical murder of husbands. In these never-before-published stories, set in the rural South and the cosmopolitan New York of the 1940s, written by Truman Capote in his teens and twenties, the American master is already recognizable. This splendid collection offers readers the opportunity to see the confident first steps of one of the twentieth century's most acclaimed writers.

A New Reference Grammar of Modern Spanish Universidad Intercontinental

Confused by metaphysics? In a muddle with aesthetics? Intimidated by Kant? Whether you're a philosophy student or a complete beginner, *Philosophy For Dummies*, UK Edition will get you thinking and talking about philosophy in no time, and with maximum confidence.

The Giver Springer Science & Business Media

Thousands of business books are published every year— Here are the best of the best After years of reading, evaluating, and selling business books, Jack Covert and Todd Sattersten are among the most respected experts on the category. Now they have chosen and reviewed the one hundred best business titles of all time—the ones that deliver the biggest payoff for today’s busy readers. *The 100 Best Business Books of All Time* puts each book in context so that readers can quickly find solutions to the problems they face, such as how best to spend *The First 90 Days* in a new job or how to take their company from Good to Great. Many of the choices are surprising—you’ll find reviews of *Moneyball* and *Orbiting the Giant Hairball*, but not Jack Welch’s memoir. At the end of each review, Jack and Todd direct readers to other books both inside and outside *The 100 Best*. And sprinkled throughout are sidebars taking the reader beyond business books, suggesting movies, novels, and even children’s books that offer equally relevant insights. This guide will appeal to anyone, from entry-level to CEO, who wants to cut through the clutter and discover the brilliant books that are truly worth their investment of time and money.

Messages from the Masters HMH

Join Hunter Huntsman, son of the heroic Huntsman, for a day in the woods. What happens when he has to hide his real feelings about hunting in the forest-and about a forest maiden, too? Read all about it in this exclusive *Ever After High* short story by Newbery Honor author Shannon Hale.

Nada ALFAGUARA

From the winner of the first Lannan Prize for Cultural Freedom, a biting funny, kaleidoscopic vision of the first world through the eyes of the third Eduardo Galeano, author of the incomparable *Memory of Fire* Trilogy, combines a novelist's intensity, a poet's lyricism, a journalist's fearlessness, and the strong judgments of an engaged historian. Now his talents are richly displayed in *Upside Down*, an eloquent, passionate, sometimes hilarious exposé of our first-world privileges and assumptions. In a series of lesson plans and a "program of study" about our beleaguered planet, Galeano takes the reader on a wild trip through the global looking glass. From a master class in "The Impunity of Power" to a seminar on "The Sacred Car"--with tips along the way on "How to Resist Useless Vices" and a declaration of "The Right to Rave"--he surveys a world unevenly divided between abundance and deprivation, carnival and torture, power and helplessness. We have accepted a reality we should reject, Galeano teaches us, one

where machines are more precious than humans, people are hungry, poverty kills, and children toil from dark to dark. A work of fire and charm, *Upside Down* makes us see the world anew and even glimpse how it might be set right. "Galeano's outrage is tempered by intelligence, an ineradicable sense of humor, and hope." -Los Angeles Times, front page

The Coronado Expedition, 1540-1542 Houghton Mifflin Harcourt

An "intricate literary mystery [of] wrenching effect" by the internationally acclaimed, bestselling author of *The Club Dumas* (The New Yorker).

Someone has hacked into the pope's personal computer—not to spy on the Vatican or to spread a virus, but to send an urgent plea for help: *SAVE OUR LADY OF THE TEARS*. The crumbling Baroque church in the heart of Seville is slated for demolition—and two of its defenders have suddenly died. Accidents? Or murders? And was the church itself somehow involved? The Vatican promptly dispatches Father Lorenzo Quart, their worldly and enormously attractive emissary, to investigate the situation, track down the hacker—known only as "Vespers"—and stay alive. Thus begins a sophisticated and utterly suspenseful page-turner that has taken its readers by storm. "An elegant thriller that is as much about the elusive quest for happiness as it is about solving the murders." —The Denver Post "An indelible tale of love, faith, and greed." —People, Page-Turner of the Week
